Winland Electronics Environmental Compliance Statement

Winland Electronics is an industry leader in critical condition monitoring devices. Products including EnviroAlert, WaterBug, and TempAlert are designed in-house to monitor critical conditions and protect against loss of assets due to damage from water, excess humidity, extremes of temperature, and loss of power, among others, across industries including health and medical, grocery and food services, commercial and industrial, as well as agriculture and residential. Winland Electronics markets and sells its line of proprietary critical condition monitoring hardware and subscription service products primarily through a global network of distributors, dealers, security installers and integrators. Winland Electronics' products are compatible with any hardwired or wireless alarm system. Winland Electronics also offers a critical environment monitoring solution called INSIGHT, an automated, cloud-based platform that provides early alerting, reporting, and logging services designed to ensure regulatory compliance.

Declaration of Conformity

EU REACH 1907/2006 – the most recent list update: The Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) Regulation requires the identification of Substances of Very High Concern (SVHC) contained in articles above the threshold 0.1% w/w manufactured and marketed in the EU (Legal Reference EC 1907/2006). We hereby send you information related to REACH regulation (Regulation (EC) No. 1907/2006). In accordance with Article 33(1) of the REACH regulation, this communication applies to the below-referenced Product(s) included with this declaration. REACH candidate list of SVHC declarations include all substance names that were included up to that date of inclusion listed above. https://echa.europa.eu/candidate-list-table

Product Status Declaration

Product Name: WATERBUG200-DEVICE ONLY

Product Number: M-001-0180

Product Status: No Status

As of 2026-11-16
