

## 12 VOLT DC POWER ADAPTER KIT

**Model Number: 12VDC-KIT**

**Item Number: M-001-0171**

### **Description:**

12 Volt DC Power Adapter Kit is a two-piece power source for stand-alone applications without the need to pull power from an alarm panel or secondary source.

Winland™ devices require usage of a barrel adaptor or direct wire connection to be hardwired to the device. This two piece kit brings convenience to the purchasing and installation process.

Images above can vary to actual.
